O.M.U Dinner Guest Speaker

Barry Richards is considered one of South Africa's most successful batsmen of all time. He is originally from Durban, where he played club cricket for Durban High School Old Boy's Club, then later going on to play nationally and internationally.

National selectors noticed his talent early on, and from there he went on to play and score an incredible 107 in 160 minutes for South Africa, in the first test against the touring Australians (1966–67).

During his time playing for Hampshire, Richards scored 2395 runs in his first season, which was more than any other player in the country at that time. He later returned home to play for Natal for the duration of the following 4 seasons, making him the only player to have scored 1000 runs, in a Currie Cup season consisting of 8 matches. During his time playing in the World Series Cricket (1977–78 & 1978–79) in Australia, he scored 554 runs in 5 matches.

After retirement he began commentating for MNet Super Sports for a time, as well as in the U.K for Test Match Special, channel 4 and 5. Barry Richards is a South African cricket legend and we are extremely honoured and excited to have him address us this Founders Day!

Old Muirites, Friends & Family of Muir College are welcome to attend the Weekend's festivities!
